SEL to promote EQUITY

SEL is relevant for all students in all schools and affirms diverse cultures and backgrounds.

SEL is a way to uplift student voice and promote agency and civic engagement.

SEL supports adults to strengthen practices that promote equity.

Schools must engage students, families, and communities as authentic partners in social and emotional development.

Learning for Justice (Social Awareness)

Technology:

Apps, devices, extensions, websites

Equity:

Socially, emotionally, and academically safe learning environments where all students receive what they need to succeed. This includes access to opportunities, resources, and highly qualified educators who can develop students' skills and abilities.

TECHquity:
Combining tech tools and
equitable policies, practices,
& instructional strategies.
