

The background features a white background with several colorful circles and dashed lines. A large teal circle is in the top left, a large green circle is in the top right, and a large yellow circle is in the bottom right. There are also smaller circles in blue, orange, and pink. Dashed lines in teal, green, and yellow form a path around the page.

Stop, Collaborate, and Listen: Tech Tools for Administrators

A decorative graphic consisting of a large, light blue dashed circle that frames the text. Various colored circles (solid and hollow) in shades of teal, yellow, green, and orange are scattered around the perimeter of the dashed circle.

Staff, students, and parents usually identify Administrators as:

- Informational Leaders
- Inspirational Leaders
- Operational Leaders
- Managerial Leaders

These individuals often do not identify Administrators as:

- Instructional Leaders
- Technology Leaders

1

Mentimeter.com

An audience response system that allows facilitator to engage and interact with the target audience in real time. The audience can give their input using a mobile phone or any other device connected to the internet.

<https://www.mentimeter.com/>

The background features several overlapping circles in various colors: orange, yellow, pink, green, and teal. Some circles have dashed outlines, and some are solid. A large teal circle with a white center is prominent on the right side. The overall design is modern and vibrant.

2

Padlet

Online virtual “bulletin” board, where participants can collaborate, reflect, share links, pictures, and videos.

<https://padlet.com/>

The background features several overlapping circles in various colors: orange, yellow, green, and teal. Some circles are solid, while others are dashed. A large teal number '3' is centered at the top. The text 'Learning Management Systems (LMS)' is written in a grey, sans-serif font, with a pink dot to its left. Below it, a description in orange text states: 'Digital platform where the facilitator can create workspaces that foster collaboration and feedback.'

3

- Learning Management Systems (LMS)

Digital platform where the facilitator can create workspaces that foster collaboration and feedback.

4

Social Media (Facebook, Instagram, Twitter)

Websites and applications that enable users to create and share content or participate in social networking.

5

Flipgrid

Allows facilitator to create “grids” of short discussion-style questions that the audience respond to through recorded videos.

<https://flipgrid.com/>

A decorative background featuring various colored circles and dashed lines. The colors include orange, yellow, pink, green, and teal. The dashed lines are in light blue and yellow. The overall style is modern and playful.
